Sheriff Dave Marshak advised he has been notified of pending issues regarding the budget, and is aware of a press conference being held by the County Executive, Mr. Ken Waller. The issues are isolated between the County Council, the County Executive, and the (Former) Auditor. Regarding these pending issues, Sheriff Marshak shared “Despite any decisions made on our peripheral, we will continue to do the people’s business. We will provide continued service to our citizens, and provide for the safety of our community regardless of other county issues. I’m confident all sides will find compromise.”
